

MOXIE DIMENSION #2

SAVVY

SEEING THE OPPORTUNITY

“Being savvy means knowing when to play the hand you’re holding and when to change the game.”

WHAT IS Savvy?

Savvy is knowing how to read a situation, recognize an opportunity, and make smart choices. It’s using experience, awareness, and good judgment to navigate life with intention.

HOW SAVVY BUILDS YOUR MOXIE

Savvy helps you notice what others may overlook. It’s the ability to gather information, learn from what happens, and adjust your approach instead of simply repeating what isn’t working.

3 WAYS TO STRENGTHEN YOUR SAVVY

1. Look for What’s Possible

When you see a challenge, ask: What opportunity might be hiding inside this?

2. Learn From the Room

Pay attention to people, patterns, timing, and what is not being said. Awareness gives you options.

3. Adjust Your Play

If something isn’t working, don’t stubbornly stay on the same path. Use what you learned and change your approach.

PUT YOUR SAVVY TO WORK

YOUR MOXIE WORKSHEET

What situation are you trying to navigate right now?

What are you noticing that could help you make a smarter move?

What have past experiences taught you that you can use now?

YOUR SAVVY MOVE

What is ONE action you are willing to take this week to strengthen your savvy?

Add the specific date _____

AFTER YOU TAKE THE STEP

What happened?

What did you learn about yourself?
