

MOXIE DIMENSION #4

INITIATIVE

MAKE IT HAPPEN

“Opportunity may knock, but initiative opens the door.”

WHAT IS Initiative?

Initiative is the willingness to take action without waiting for someone else to make the first move. It's turning an idea into action and taking responsibility for your own growth.

HOW INITIATIVE BUILDS YOUR MOXIE

Initiative moves you from thinking about what you want to doing something about it. It turns possibility into progress because you stop waiting for the perfect moment, permission, or invitation.

3 WAYS TO STRENGTHEN YOUR INITIATIVE

1. Stop Waiting for things to be perfect.

Choose the next practical step and take it. Progress rarely arrives wearing a perfectly timed bow.

2. Make the first move.

Need information, an introduction, an opportunity, or support? Ask. You cannot receive an answer to a question you never ask.

3. Build momentum.

Take a step, no matter how small, to make progress.
